**Parking for GSU:**

GSU is currently undergoing a new signage project. Some of the older signs may still be visible, but please follow the new signs (the difference will be apparent).

GSU's east entrance is closed for repairs and renovation. The main entrance, off of Stuenkel Road/University Parkway, is open as usual.

Directions: Once on campus, follow the access road (there is only one) to either West (parking) Lot 1 or East (parking) Lot 1. Park in either of those lots – parking is free and no pass is required.

Enter GSU through the main entrance – D Building, by the flagpoles. Can only walk straight ahead, through the student services area, and through a set of glass door into the main hall of the university. Veer to your right at the elevator/staircase, and continue walking straight ahead, toward the glass wall, overlooking the patio and lake. At the cafeteria, turn right and walk through the cafeteria and then past the bookstore. Just past the bookstore, on your left, will be the Hall of Honors.
